I know a place,
where you can go,
when you're flyin' high,
or layin' low,
& I've got the time,
I got plenty to spare,
Yes, I've got the time,
& I've got the place,
I just wish you were there

I've got the will,
to have you around,
whether you're up,
or whether you're down,
& I know the way,
to make you shine,
I've got the will,
& I've got the way,
I wish you were mine
I know a place,
where you can go,
when you're flyin' high,
or layin' low,
& I've got the time, (I've got the time!)
I've got plenty to spare,
I've got the time,
& I've got the place,
I wish you were there (wish you were there!)
Oh, I've got the time,
& I've got the place,
I wish you were there

I wish you were there,
I wish you were there,
I wish you were there!
