There was a time  
Some time ago  
When every sunrise meant  
A sunny day, oh a sunny day

But now when  
The morning light shines in  
It only disturbs the dreamland  
Where I lay, oh where I lay

I used to thank the lord when I'd wake  
For life and love and the golden sky above me  
But now I pray the stars will go on shinin'  
You see in my dreams you love me

Daybreak is a joyful time  
Just listen to the songbird  
Harmonies, oh the harmonies

But I wish the dawn  
Would never come  
I wish there was silence  
In the trees, oh the trees

If only I could stay asleep  
At least I could pretend  
You're thinkin' of me  
'Cause night time is  
The one time I am happy  
You see in my dreams

We climb and climb and at the top we fly  
Let the world go on below us, we are lost in time  
And I don't know really what it means  
All I know is that you love me, in my dreams

I keep hopin' one day I'll awaken  
And somehow she'll be lying by my side  
And as I wonder if the dawn is really breakin'  
She touches me and suddenly I'm alive

We climb and climb and at the top we fly

Let the world go on below us, we are lost in time  
And I don't know really what it means  
All I know is that you love me, in my dreams

We climb and climb and at the top we fly  
Let the world go on below us, we are lost in time  
And I don't know really what it means  
All I know is that you love me, in my dreams  
Oh, in my dreams
