(In your letter, ooh in your letter)  
(In your letter, ooh in your letter)  
(In your letter, ooh in your letter)  
(In your letter, ooh in your letter)

In your letter you  
said you didn't love me  
You said you're gonna leave me  
but you could've said it better  
Oh oh, in your letter  
you said you couldn't face me  
You said you could replace me  
but you could've said it better

You could've left him only  
for an evening let him be lonely  
But you hid behind your  
poison pen and his pride  
You could've told him something  
and proved to me you don't love him  
But you hid behind your  
future full of lies  
Oh oh, in your letter

(instrumental)

You could've left him only  
for an evening let him be lonely  
But you hid behind your  
poison pen and his pride  
You could've told him something

and proved to me you don't love him  
But you hid behind your  
future full of lies  
Oh oh, in your letter

(In your letter)  
you said you didn't love me  
(In your letter)  
you said you're gonna leave me  
(In your letter)

but you could've said it better  
(In your letter)  
Oh oh in your letter  
(In your letter)  
you said you couldn't face me  
(In your letter)  
you said you could replace me  
(In your letter)  
but you could've said it better  
(In your letter)

Oh oh in your letter  
(In your letter, ooh in your letter)  
Ooh ooh in your letter  
(In your letter, ooh in your letter)  
Ooh ooh in your letter  
(In your letter, ooh in your letter)  
Ooh ooh in your letter  
(In your letter, ooh in your letter)  
Oh oh  
(In your letter, ooh in your letter...)

(repeat to fade)
