I used to be lonely
till I learned about livin alone
I found other things to keep my mind on
And I'm gettin to know myself
a little bit better
Whoa, I keep pushin' on
Keep pushin' on, yeah

Goin through all the changes
I made so many mistakes
oh yes I did
Tryin to leave behind the heartaches
And sometimes I think
I was a little bit crazy, oh yeah
Whoa, I keep pushin' on

(chorus)

Keep pushin', keep pushin', keep pushin', keep pushin'
on

Keep pushin', keep pushin', you know you have got to
be so strong
Keep pushin', keep pushin', well even if you think your
strength is gone
Keep pushin' on

(instrumental)

Well it's comin' together
I finally feel like a man
oh yes I do
I never thought that I'd be where I am
Oh everyday I wake a little bit higher
Whoa I keep pushin' on, oh yeah

(chorus)
