Love is all right
Love is all right
Oh, love is all right

A man once said love is all you need
And if not right he was close indeed
It wont pay the rent, wont buy your shoes
But its time well spent if it keeps away the blues

It wont turn the tide or stop the rain
And deep down inside there might be a little pain
But you still go through it
'Cause it gets you through the night
And when you get down to it, love is all right

Love is all right
Love is all right
Oh, love is all right

When your girl walks out, you just want her back
You got to have her now and that's a fact, Jack
'Cause as big and bad and mean as you are
You can't watch you're woman in another mans car

You wanna keep that girl in your passenger seat
You wanna find her groove, wanna keep her beat
So if you have to do it, you're ready to fight
'Cause when you get down to it, love is all right

Love is all right
Love is all right
(Ooh, now love is all right)
Oh, love is all right

Love is all right
(Oh, love is all right)
Love is all right
(Ooh, now love is all right)
Oh, love is all right

[Incomprehensible]

Love is all right
(Ooh, love is all right)
Love is all right
(Now love is all right)
Oh, love is all right

Love is all right
Love is all right
(Ooh, la la la la love)
Oh, love is all right

Love is all right
(My love is all right)
Love is all right
([Incomprehensible])
Oh, love is all right

Love is all right
(Love is all right)
Love is all right
(Oh baby love is all right)
Oh

Love is all right
