Cool as the water melting from the winter snows  
You are the island I've been looking for  
I don't know where you come from but I can feel you  
comin' on  
You're a storm inside my soul that's ragin' out of  
control

Call the wind out, call out the thunder  
Oh lightning, only you can will the weather  
I said come on, won't ya come on?  
Lightning you're mine, tonight, tonight  
You caught me while I was sleepin', restin' from a  
heavy run  
I saw you in your evening gown, you were lighting up  
the sky  
No matter what tomorrow brings, lightning, you're mine  
tonight  
Oh, lightning you're mine tonight

Crack the horizon, only you can split the night  
Then comes your mother cloud to take you away  
Another wind will dry me and the sun will make me  
warm  
But to me my life will always be the calm before the  
storm

Call the wind out, call out the thunder  
Oh lightning, only you can will the weather  
I said come on, won't ya come on?  
Lightning you're mine, tonight, tonight  
You caught me while I was sleepin', restin' from a  
heavy run  
I saw you in your evening gown, you were lighting up  
the sky  
No matter what tomorrow brings, lightning, you're mine  
tonight  
Oh, lightning you're mine tonight

Call the wind out, call out the thunder  
Oh lightning, only you can will the weather  
I said come on, oh come on  
Lightning you're mine, tonight, tonight

You caught me while I was sleepin', restin' from a  
heavy run  
Well I saw you in your evening gown, you were lighting  
up the sky  
No matter what tomorrow brings, lightning, you're mine  
tonight  
Oh, lightning you're mine tonight
