You and your baby had some words today
Till not another word was left to say
I see that grin, boy
Maybe you think you'll win, boy
Until the sun goes down and once again, boy

One lonely night, one lonely night
That's all it takes to completely break you

They say it's darkest right before the dawn
But oh those darkest hours can be so long
You're feelin' strong, boy
Tellin' yourself she's wrong, boy
But how much longer can this night go on, boy?

One lonely night, one lonely night
That's all it takes to completely break you

One lonely night, one lonely night
That's all it takes to completely break you

Ooh, she's such a good find
Have you gone and lost your mind?
You should know she's one of a kind

Ooh, she's such a good find
Have you gone and lost your mind?
You should know she's one of a kind

Just lonely night, one lonely night
That's all it takes to completely break you
