I found out
Just a little too late
I had my doubt
But I decided to wait

Even though I could feel
Somethin' comin'
It came as such a surprise
I should have known
When you first started
Runnin' away before my eyes

I'm so out of season
You left me cold
And I'm standin' here freezin'
I'm so out of season now

I lost out
I wasn't playing to win
And then I think about
How I just took it all in

Just when I thought
I couldn't get any higher
You cut me down to size
I should have noticed
When you put out the fire
Instead, I just closed my eyes

I'm so out of season
You left me cold
And I'm standin' here freezin'
I'm so out of season now

I'm so out of season
You let me go
And you gave me no reason
I'm so out of season now

Even though I could feel
Somethin' comin'
It came as such a surprise

I should have known
When you first started
Runnin' away before my eyes

I'm so out of season
You left me cold
And I'm standin' here freezin'
I'm so out of season now

I'm so out of season
You let me go
And you gave me no reason
I'm so out of season now

I'm so out of season now
I'm so out of season now
I'm so out of season now
