Ridin' the storm out  
Waitin' for the thaw out  
On a full moon night  
in the rocky mountain winter

My wine bottle's low  
watching for the snow  
Thinking 'bout  
what I'm missing in the city

(chorus)  
And I'm not missin' a thing  
Watchin' the full moon crossin' the range  
Ridin' the storm out  
Ridin' the storm out  
Ridin' the storm out  
Ridin' the storm out

My lady's beside me  
she's there to guide me  
She says that alone

we've finally found our home

The wind outside is frightening  
But it's kinder than the  
lightning life in the city  
It's a hard life to live  
but it gives back what you give

(chorus)

Ridin' the storm out  
Waitin' for the thaw out  
On a full moon night  
in the rocky mountain winter

My wine bottle's low  
watching for the snow  
Thinking 'bout  
what I've been missing in the city

(chorus)
