One, two, three, four

Here I come again
I don't really care to turn back
Trying to find out your directions
But I seem to be losin' track

Hey, baby, I believe we ought to make a run for it
Just to see how far we can go
I ain't just around for the fun of it
But until you try it, baby, you'll never know

So say you love me or say goodnight
Say we've made up or on with the fight
'Cause there's no love lying' in the eyes of the night
So say you love me or say goodnight

There is no use of hangin' on our memory
No good livin' a lie
Hey, baby, I got no use for mediocrity
You know tonight's the night we'll either do it or die

So say you love me or say goodnight
Say we've made up or on with the fight
'Cause there's no love lying' in the eyes of the night
So say you love me or say goodnight, hey

Say you love me or say goodnight
Say we've made up or on with the fight
'Cause there's no love lying' in the eyes of the night
So say you love me or say goodnight

Say you love me or say goodnight
Say we've made up or on with the fight
'Cause there's no love lying' in the eyes of the night
So say you love me or say goodnight

Say goodnight, say goodnight
Say goodnight, say goodnight
Oh, baby, say goodnight, oh, now, say goodnight
Say you love me or say goodnight

Oh, no, say goodnight, oh, baby, say goodnight
I don't know any say goodnight, but please don't say
goodnight
Say goodnight, I can't stand to hear you say goodnight
Oh, but please don't say good night
Say you love me and say goodnight
Come on
