Heard it from a friend who, heard it from a friend who
Heard it from another you been messin' around
They say you got a boyfriend, you're out late every
weekend
They're talkin' about you and it's bringin' me down

But I know the neighborhood
And talk is cheap when the story is good
And the tales grow taller on down the line
But I'm telling you, babe, that I don't think it's true,
babe
And even if it is keep this in mind

You take it on the run baby
If that's the way you want it baby
Then I don't want you around
I don't believe it, not for a minute
You're under the gun so you take it on the run

You're thinking up your white lies
You're puttin' on your bedroom eyes
You say you're coming home but you won't say when

But I can feel it coming if you leave tonight keep
running
And you need never look back again

You take it on the run baby
If that's the way you want it baby
Then I don't want you around
I don't believe it, not for a minute
You're under the gun so you take it on the run

You take it on the run baby
If that's the way you want it baby
Then I don't want you around
I don't believe it not for a minute
You're under the gun so you take it on the run

Take it on the run baby
If that's the way you want it baby
Then I don't want you around

I don't believe it, not for a minute
You're under the gun so you take it on the run

Heard it from a friend who, heard it from a friend who
Heard it from another you been messin' around
