Chorus:

I'm tired of gettin' nowhere, wish I was inspired, but it's
just not there
I hope this doesn't last, 'cause I'm tired of gettin'
nowhere fast

Woke up this morning and went back to sleep
The sun was pourin' and the rain was gettin' deep
I don't know what I'm supposed to do
'cause everywhere I turn, I wind up headin' back to you

I don't know how long I will lay here in this bed
Staring at the ceiling, going crazy in my head
Got to find some meaning, some kind of reason to go
on
The only one I had was you and now you're gone, and

Chorus

My friends all tell me I should mellow out
Surely I've got better things to think about
Must be something I can find to help me lose these
blues
But the only thing that's on my mind, is standing in
your shoes

Chorus

You'd think by now I'd be exactly where I want to be
Got what I need, know what I need to know
I'm all dressed up but without you there's nowhere to
go

(solo)

Ooh, you'd think by now I'd be exactly where I want to
be
Got what I need, know what I need to know
I'm all dressed up but without you there's nowhere to
go

And I'm so tired of gettin' nowhere
Wish I was inspired, but it's just not there

I hope this doesn't last, 'cause I'm tired of gettin'
Tired of gettin', tired of gettin' nowhere

I'm tired of gettin' nowhere, so real tired of gettin'
nowhere
Tired of gettin' nowhere, tired, tired of gettin'
I'm tired of gettin' nowhere, ooh yeah, won't you say it,
ooh yeah
Tired of gettin' nowhere fast - get some rest!
