It's all on my shoulders
And it was gettin harder to bear
Each day I was gettin older
And I was startin to show the wear
Tonight I'm gonna get it all
Gonna lay my work on the shelf?

Tonight, tonight, I'm comin home to you
Tonight, tonight, I'm comin home to you it was a hard
run this time mamma
And it ain't ever gonna get easier
I'm searchin through my memories
And I can't remember of a year?
But tonight I'm gonna get it all
Gonna lay my work on the shelf

Tonight, tonight, I'm comin home to you (2x)
(solo)
Tonight, tonight, I'm comin home to you (4x)
