Unfinished Poem
(Can't Stop Loving You)

I can still taste the first kiss, Standing in the rain.

I remember that closeness, and want it again. And again.

Well I was nobody's lover. And you were somebody's girl

One Mornin', a lonely man woke up. And found you in his world. My world.

What am I gonna do.

I can't stop lovin' you.

We had a last glass together. We said our last sweet goodbyes.

And my tears. Falling now from heaven.

Are no colder than mine. Than mine.

What am I gonna do.

I can't stop lovin' you.

Crazy but it's true.

I just can't stop lovin' you.

Well I know I must learn to live

With the things I cannot change. Whoa

And see the beauty, in all I have today. This day.

Whoa, Whoa, yeah

Now this rain will stop fallin'.

In time it will slow.

Oh but I, will not have forgotten.

The parts of you Iâ€™ve known. Iâ€™ve known.

Yeah thereâ€™s fenceâ€™s need mendinâ€™.

Thereâ€™s just no place like home.

There can be, no fairy-tale endinâ€™.

Just an unfinished poem, this poem.

What am I gonna do.

I canâ€™t stop lovinâ€™ you.

Crazy but itâ€™s true.

I just canâ€™t stop lovinâ€™ you.

Never seen this shade of blue.

I just canâ€™t stop lovinâ€™ you.
