i been waitin all day for ya babe
so wont ya come sit n talk to me
and tell me how were gunna be together always
i hope u know that when its late at nite
i hold on to my pillon tight
and think of how u promised me forever
i never knew that anyone could make me feel this way
now that ur here boi all i want is just a chance to say

get out rite now its the end of u and me
its too late and i cant wait for u too be gone
cuz i know about her and i wonder how i bought all da
lies
u said that u would treat me rite but u was just a waist
of time

tell me why ur lookin so confused
when im da one who didnt know da truth?
how could u ever be so cold
too go behind mi back and call mi friend
boi u must have run and bumped her head
cuz u left her number on ur phone

so now after all is said n done..
maybe im da one too blame but
to think dat u could be the one..
well it didnt work out that way..

get out rite now its the end of u and me
its too late and i cant wait for u too be gone
cuz i know about her and i wonder how i bought all da
lies
u said that u would treat me rite but u was just a waist
of time

i wanted u rite here with me but i have no choise u've
gotta leave
because mi heart is braken.. with every word im saying
i gave up everything i had on sumthing that just
wouldnt last
but i refuse to cry no tears will fall from these eyes

get out

get out rite now its the end of u and me
its too late and i cant wait for u too be gone
cuz i know about her and i wonder how i bought all da
lies
u said that u would treat me rite but u was just a waist
of time

get out rite now its the end of u and me
its too late and i cant wait for u too be gone
cuz i know about her and i wonder how i bought all da
lies
u said that u would treat me rite but u was just a waist
of time

get out u and me its too late about her u said that u
would treat
me rite but u was just a waist of time
