I'm in two minds about this whole thing,
I found no redemption,
Now these words replace,
All the pictures,
It's a vicious circle, round and round,
And up and down,
And deeper down I go,
But still no one notices.
If I drive all my patience away, I collide,
I might drown in the wells,
That I've made in my eyes,
But here I go again, I'm lost again, Again,
But I collide when...
Not a shy man at 20 but I used to find,
That passing time was easy, alone,
'Cause I was never alone,
But here it comes again,
Number changed, moved away, pack a day,
Whatever happened to these social days,
The revolving doors replaced,
But, I can't believe I've, seen so many people leave,

Or was I the one to wash my hands of them.

If I drive all my patience away, I collide,

I might drown in the wells,

That I've made in my eyes,

But here I go again, I'm lost again, Again,

But I collide when.

I collide.

I collide.

If I drive all my patience away, I collide,

I might drown in the wells,

That I've made in my eyes,

But here I go again, I'm lost again, Again.

But I collide.
