When my eyes are closed,  
I'm the man for you,  
When I'm in the position,  
I can't pull through,  
Try to tell myself that you and I won't do,  
Whoa, but my blood is Red 4 U.

Thinking 'bout,  
A choke emotional embrace,  
The truth and what I don't believe,  
There are some memories that won't fade,  
Coal black eyes,  
I like to think I'm patient,  
No one can see your dark side,  
Can't stand these one sided conversations..

Thinking 'bout what you said today,  
I'm thinkin' about it,

You're like constant pain,  
These things I won't forget,  
It's almost like your testing me,  
Told me to love you, but I can't trust you,  
It's too late,  
You can say I'm sorry, I'm sorry, I'm sorry,  
I feel like an aeroplane,  
Back and forth, back and forth...

Thinkin' 'bout what you said today  
I'm thinkin' about it

Cause when my eyes are closed,  
I'm the man for you,  
When I'm in the position,  
I can't pull through,  
Try to tell myself that you and I won't do,  
Whoa, but my blood is Red 4 U,  
But my blood is Red 4 U, Red 4 U,  
But my blood is Red 4 U.

Thinking 'bout what you said today,

I'm thinkin' about it..

Lay you down upon the cloth,  
I taste your lips, but they're not,  
Not as soft as they were before,  
And I'll tell you "you're the only one"..

Cause when my eyes are closed,  
I'm the man for you,  
When I'm in the position,  
I can't pull through,  
Try to tell myself that you and I won't do,  
Whoa, but my blood is Red 4 U..

When my eyes are closed,  
I'm the man for you,  
When I'm in the position,  
I can't pull through,  
Try to tell myself that you and I won't do,  
Thinkin' 'bout what you said today..
