Visit "[She Knows](#)" on MotoLyrics.com

She knows  
Oh god I think she knows,  
Where these words end,  
And the others begin again,  
She cries,  
Oh god I know she cries,  
Tears stain her skin,  
As they rain in my direction..

Light you up tonight,  
I'll light you up tonight,  
Oh,  
If you wanna escape tonight,  
Just find your way to me,  
Light you up tonight,  
I'll light you up tonight,  
Oh,  
If you wanna escape tonight,  
Just find your way to me..

Oh God I know it hurts,  
Like childhood scrapes,  
You try to fight it,  
Fight the pain,  
And I know,  
Oh you don't think I know,  
You're filled with hope,  
Even while he's pulling you down..

Light you up tonight,  
I'll light you up tonight,  
Oh,  
If you wanna escape tonight,  
Just find your way to me,  
Light you up tonight,  
I'll light you up tonight,  
Oh,  
If you wanna escape tonight,  
Just find your way to me..  
'Cause we never leave,  
Don't stop to stare at what's behind,  
You don't have to leave,

'Cause we'll be lighting it up all night,  
It's been a while, But it's okay,  
Don't stop to stare at what's behind,  
'Cause we'll never leave..

Light you up tonight,  
I'll light you up tonight,  
Woah,  
If you wanna escape tonight..

Oh

Light you up tonight,  
I'll light you up tonight,  
Oh,  
If you wanna escape tonight,  
Just find your way to me,  
Light you up tonight,  
I'll light you up tonight,  
Oh,  
If you wanna escape tonight,  
Just find your way to me..

woah oh oh,  
woah oh oh oh,  
woah oh oh,

Just find your way to me..  
woah oh oh,  
'Cause we never leave,  
Don't stop to stare at what's behind,  
woah oh oh,  
Just find your way to me..
