A perfect sense of calm,
She promised she was clean,
Should I close my eyes?
I should close my eyes..

These movements feel the same,
And she shivers, Touched a different way,
What have I done? I should close my eyes,
I should close my..

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?
Do you wonder?

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?
Do you wish you could rewind?

There's lies underneath these sheets,
Never before's it been me,
What have I done?
I can't close my eyes..

Did I leave a single trace?
Can she feel? Can she taste?
There was a promise that I can't wash this off of me..

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?
Do you wonder?

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?

Do you wish you could rewind?

Where, Where?
Where, Where? Oh..
Where, Where?
Where, Where..

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?
Do you wonder?

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?
Do you wish you could rewind?

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?
Do you wonder?

Where do you hide?
Where do you hide,
When you wake up on the other side?
Do you crash, Do you crash?
Do you wish you could rewind?
