Yeah, yeah  
Backward words, he got 'em  
Shut up, I'm talkin'  
This time, you'll listen  
But when I look at you, you're forgiven

You drive too fast and  
I smoke too much and  
My heart is broken  
But when I look at you, you're forgiven  
You're forgiven

I know my ex-boyfriend lies  
Oh, he does it every time  
It's just his permanent disguise  
Yeah, yeah but he's drop dead gorgeous

Don't go changin' every time  
Not for me to compromise  
You're still a friend of mine  
Yeah, yeah and you're drop dead gorgeous

Yeah end of, stop sulkin'  
Get out, you're walkin'  
Too bad, I've spoken  
But when I look at you, you're forgiven

Your lies, don't want 'em  
Drop dead, not jokin'  
This thing is broken  
But when I look at you you're forgiven  
You're forgiven

I know my ex-boyfriend lies  
Oh, he does it every time  
It's just his permanent disguise  
Yeah, yeah but he's drop dead gorgeous

Don't go changin' every time  
Not for me to compromise  
You're still a friend of mine  
Yeah, yeah and you're drop dead gorgeous

Yeah, yeah  
I know my ex-boyfriend lies  
Oh, he does it every time  
It's just his permanent disguise  
Yeah, yeah, but he's drop dead gorgeous

Don't go changin' every time  
Not for me to compromise  
You're still a friend of mine  
Yeah, yeah, and you're drop dead gorgeous

I know my ex-boyfriend lies  
Oh, he does it every time  
It's just his permanent disguise  
Yeah, yeah, but he's drop dead gorgeous

Don't go changin' every time  
Not for me to compromise  
You're still a friend of mine  
Yeah, yeah, and you're drop dead gorgeous

Yeah, yeah  
Drop dead
