One more day on the roller coaster  
If I scream they spin me faster  
Everything gone backwards  
And it's upside down

Stop me dead, oh I think I'm falling  
Falling from the fourteenth story  
One more line and it will be morning  
Hit the floor

So stop the traffic  
Stop the clock, stop the lot  
I wanna get off, I wanna get off with you  
I wanna get off, I wanna get off with you

One more job in the supermarket  
One more kick to get me started  
Everyone get on board  
This ship is sinking

Hanging out I don't want to be there  
Took a train to another city  
Chinese food and a tabloid frenzy  
Why I'm here is mystery to me

So stop the traffic  
Stop the clock, stop the lot  
I wanna get off, I wanna get off with you  
I wanna get off, I wanna get off with you

And like a speeding car you want more, more, more  
And like a rattlesnake I hate  
I wanna get off, I wanna get off with you

And like a speeding car you want more, more, more  
And like a rattlesnake I hate  
I wanna get off, I wanna get off with you  
I wanna get off, I wanna get off with you

I wanna get off, I wanna get off with you  
I wanna get off, I wanna get off with you  
I wanna get off, I wanna get off with you

I wanna get off, I wanna get off with you  
I wanna get off
