Started with nothing and much we have seen  
Simple music for this so called scene  
Ten years of trying to go forward  
No big push and none of reward

Ten fast years - here to stay  
Music business  
Times have changed  
Rules are set  
Cash whores - pledge  
Ten long years - we have played  
Music business  
Times have changed  
Played for free  
Or let it be

Promoters complaining about cash  
Filling pockets, bands earn less  
Meaning of music has gone lost  
How should ya know whom you can trust

Ten fast years - here to stay  
Music business  
Times have changed  
Rules are set  
Cash whores - pledge  
Ten long years - we have played  
Music business  
Times have changed  
Played for free  
Or let it be

Can't afford to go forward  
... to go forward  
... to go forward  
... to go forward  
Can't afford to go forward

Bands are being used  
Only few getting boost  
Labels don't care  
Unloyal - unfair

Fans blinded by media hype  
Led like sheep (to) assorted kinds  
Open your minds and care  
Stay loyal and fair

Underground - we still pay  
United - we will stay  
Industry - still gets rich  
Enemies - we're not finished
