Terrorist...

Terror, terror everywhere  
The world has gone insane  
Terror, terror is all I see  
Who's the one to blame  
Wolves in sheep's clothing  
Living door to door  
Media makes us believe  
To distrust your neighbours anymore

Who's the terror, who's the hate  
Where's justice, where's faith

Terror, terror everywhere  
The world has gone insane  
Terror, terror is all I see  
Who's the one to blame  
Wolves in sheep's clothing  
Living door to door  
Media makes us believe  
To distrust your neighbours anymore

Who's the terror, who's the hate  
Where's justice, where's faith  
Who's the terror, who's the hate  
Where's justice, where's faith

Airport security pushed to the max  
Dangers and threats are now known facts

Am I terror - I, terrorist  
Am I terror - I, terrorist  
Am I terror - I, terrorist  
Am I terror - I, terrorist  
Terror, terror...

Am I terror or am I peace  
Can't believe in what I see  
Can't believe in what I hear  
All around me they're speaking of fear  
Am I terror or am I peace

Can't believe in what I see  
Can't believe in what I hear  
All around me they're speaking of fear

Eyes gone blind by TV raid  
Who tells the truth  
Or who's speaking with  
Unreflected hate  
War on terror everywhere  
Who's the one to blame  
And where's the real evil  
Knowing their names

Eyes gone blind by TV raid  
Who tells the truth  
Or who's speaking with  
Unreflected hate  
War on terror everywhere  
Who's the one to blame  
And where's the real evil  
Knowing their names

Who's the terror, who's the hate  
Where's justice, where's faith

Terror, hate, justice, faith...
