

Requiem "Revolution"

Can't you see
It is time for revolution.
For you and me,
It's the only solution.

Togehter we stand,
Divided we fall.
Again and again,
We'll break down this chain
And free our lives.

We're revolution,
Revolution, revolution.
Yeeeeeeeeeah.

You and me,
Touched the sky on mountain high.
Across the sea,
On wings of steel we will fly.

Togehter we stand,
Divided we fall.
Again and again,
We'll break down this chain
And free our lives.

We're revolution,
Revolution, revolution.
Yeeeeeeeeeah.

Can't you see
It is time for revolution.
For you and me,
It's the only solution.

Togehter we stand,
Divided we fall.
Again and again,
We'll break down this chain
And free our lives.

We're revolution,

Revolution, revolution.
Yeeeeeeeah.
