3.20 powder fills the air  
4.30 the last bullets we shared  
5.10 the order comes again  
6.40 the end is near for whom for when

7.00 the enemy gets nearer  
8.42 this is hell this is true  
9.14 no real chance to win  
10.13 hearing their screams

Signal Zero Â– The final chance  
Signal Zero Â– One last advance  
Signal Zero Â– Death Enhancer  
Signal Zero Â– No one answers

Signal Zero Â– The final chance  
Signal Zero Â– One last advance  
Signal Zero Â– Death enhancer  
Signal Zero Â– No one answers

The final mission, it should be  
No thoughts of death, no conscious reality  
The bleeding world, is all that's left  
Our cheap lives, pushed to the edge  
Signal Zero Â– Final chance
