The Mighty God is Jesus, the Prince of Peace is He.
The Everlasting Father, The King eternally,
The Wonderful in wisdom, By whom all things were made,
The fullness of the Godhead in Jesus is displayed.

It's all in Him, It's all in Him,
The fullness of the godhead,
It's all in Him.
It's all in Him, It's all in Him,
The mighty God is Jesus
And it's all in Him!

Emmanuel, God with us, Jehovah, Lord of Hosts!
The Omnipresent Spirit Who fills the universe.
The Advocate, The High Priest, The Lamb for sinners slain,
The Author of redemption, O glory to His name!

It's all in Him, It's all in Him,
The fullness of the godhead,
It's all in Him.
It's all in Him, It's all in Him,
The mighty God is Jesus
And it's all in Him!

The Alpha and Omega, Beginning and the end,
The Living Word incarnate, The helpless sinners friend,
Our wisdom and perfection, Our righteousness and power
Yea, all we need in Jesus, We find this very hour.

It's all in Him, It's all in Him,
The fullness of the godhead,
It's all in Him.
It's all in Him, It's all in Him,
The mighty God is Jesus
And it's all in Him!

Our God for whom weve waited Will be our glad refrain,
Of Israel recreated when Jesus comes again.
Lo, He will come and save us, Our King and Priest to be,
For in Him dwells all fullness, and Lord of All is He.
