"Ice King"

Although you're an Ice King
Everything that you gave to me
Comes from the destitute and the torn
I can't live this life no more

Just another wasted on, like a fallen star in Babylon
You said, I was your princess baby
I told you certain things you can't possess
So let me go, let me go, 'cause I, I

I've given until I break
The ground beneath us quakes
How can we grow when we've only begun?
Forsaken beneath the sun

I've given until I break
The ground beneath us quakes
How can we grow when we've only begun?
Forsaken beneath the sun

Although I've seen your wickedness
I still love your effervescence
And I know that loving you don't make no sense
But I guess that's why I like it

Just another priceless pawn, all our dreams are now
forgone
You said, I was your princess baby
I told you certain things you can't possess
So let me go, let me go, 'cause I, I

I've given until I break
The ground beneath us quakes
How can we grow when we've only begun?
Forsaken beneath the sun

I've given until I break
The ground beneath us quakes
How can we grow when we've only begun?
Forsaken beneath the sun

Although you're an Ice King

Everything that you gave to me
Comes from the destitute and the torn
I can't live this life no more

I've given until I break
The ground beneath us quakes
How can we grow when we've only begun?
Forsaken beneath the sun

I've given until I break
The ground beneath us quakes
How can we grow when we've only begun?
Forsaken beneath the sun
