"Solitary Empires"

Visit "[Solitary Empires](#)" on MotoLyrics.com

Greed - a need from within
Pain - fuelled by a weakness
Network - built from agression
Power - false security
A nation - built out of fear
All freedom - is non-existent
Genocide - root out all non-believers
This is an empire
Expansion - an aggregat of earth and water
Influence - woven into civil slaughter
Despot - a cruel, chaotic order
Psytocracy - a psychomatic regime
Mogul - a manipulative maraduder
Devinity - destiny within a doctrine
Propulsion in order to survive
Lack of rescources - too inefficient to survive
Uprising, the subjugated now revive
Revolution - the restrained are now resurrected
