I just can't believe  
I just wanna breathe  
Take a second of your precious time  
Close your eyes  
I'll bring you to paradise

Have you ever danced  
With the devil in the night  
Close your eyes  
I'll bring you to paradise  
I'll take you to paradise

I just can't believe  
Politicians lead a vast  
Campaign of horror

Close your eyes  
I'll bring you to paradise  
I'll take you to paradise  
Have you ever danced  
With the devil in the night  
In a pale moonlight  
Close your eyes  
I'll bring you to paradise  
I'll take you to paradise
