"The End"

Visit "[The End](#)" on MotoLyrics.com

Every time I see you
You're trying so hard
Selling a part of your soul

The clock on the wall
Says you're not
Far from your goal
You'll just have to
Wait and see

Now it's not a
Question of time
You'll gotta
Face your fear
Your hate, and fight
Till the end

Every time I see you
You're trying so hard
Trying so hard
But no one cares

You'll have to
Learn to trust
No one but yourself
And always believe

Now it's not a
Question of time
You'll gotta
Face your fear
Your hate, and fight
Till the end

The end
The end
The end
