In the SUNSHINE otherwise cloudy day
Do you believe in FATE?
COME WHAT MAY
I've been HEAVY and I've been LIGHT
I've been the one STAYIN' UP ALL NIGHT
I've been LOW and I've been High
BEEN THE FIRST TO TRY and

I know, my dark COLD HANDS, WARM HEART
SAVE ME FROM MYSELF
I know, my dark COLD HANDS, WARM HEART
SAVE ME FROM MYSELF

In the DARKNESS of an otherwise sunny day
Do you believe in FATE?
COME WHAT MAY
I've been STRONG and I've been WEAK
I've been the one UNAFRAID TO SPEAK
I've been WRONG and I've been Right
BEEN THE FIRST TO FIGHT and

I know, my dark COLD HANDS, WARM HEART
SAVE ME FROM MYSELF
I know, my dark COLD HANDS, WARM HEART
SAVE ME FROM MYSELF

WHEN I DIE BURY ME UNDERNEATH A WEEPING TREE
AND WHEN I RISE CARRY ME TO THE HILLS FOR ALL TO
SEE

MY LIFE the BRUTAL LANGUAGE of BEING IN LOVE
WHY LIE the brutal language of being in
MY LIFE the BRUTAL LANGUAGE of BEING IN LOVE
WHY LIE THE BRUTAL LANGUAGE OF BEING

IN LOVE
