Here I come, Constantinople  
Here I come, Constantinople  
I am coming, Constantinople  
Here I come

All the leaves are off of the oak  
And all of the sheep have followed  
The spoken word  
I'm coming Constantinople  
Here I come

So I stand out in the open  
All my friends are with you I hope  
And pray  
I'm coming Constantinople  
Here I come

Here I come, Constantinople  
Here I come, Constantinople  
I am coming, Constantinople  
Here I come
