I hear a voice
I hear a voice
Calling, calling
Calling me

With a voice inside my head
He speaks to me and softly says
Perfection ends where life begins
But it can come back again

I hear a voice
I hear a voice
Calling, calling
Calling me

Then He said if I could hide
My faith inside my broken pride
He would find complete success
Where innocence embraces death

I hear a voice
I hear a voice
Calling, calling
Calling me

Now it is so clear
He must appear
To be betrayed
So we can be saved

No one can see clearly but me
I know I must answer the call
I know I must answer the call
I know I must answer the call
I know I must answer the call

Jesus loves me, this I know
'Cause the Christians told me so
Little minds to Him belong
Ye are weak but He is strong

Yes, Jesus loves me

Yes, Jesus loves me
Yes, Jesus loves me
The Christians told me
