"The Car Thief"

I once, I once, I once
Was part of you

You hoped that the
Hands choking me
Had broken me apart

Now I don't
Now I don't
Now I don't
Believe in you

My open end
Your only friend
Was always in the dark

'Til I took a shoe
That belonged to you
Then took a torch to your new car

And now that car
Looks like a star
That's fallen far from the dark

And now that car
Looks like a star
That's fallen far from the dark

And as my pain
Turns into flames
No one blames my heart

As my pain
Turns into flames
No one blames my heart

As my pain
Turns into flames
No one blames my heart

As my pain
Turns into flames

No one blames my heart

As my pain
Turns into flames
No one blames my heart
