watch the band through a bunch of dancers quickly,
follow the unknown with something more familiar
quickly something

familiar courage, my word it didn't come it doesn't
matter

sleepwalk, so fast asleep in a motel that has the lay of
home and piss on all of your background and piss on
all your

surroundings courage, my word, it didn't come, it
doesn't matter courage, your word, it didn't come, it
doesn't matter courage,

my word, it didn't come, it doesn't matter courage, it
couldn't come at a worse time

so there's no simple explanation for anything important
any of us do and yea the human tragedy consists in the
necessity of

living with the consequences under pressure, under
pressure courage, my word, it didn't come, it doesn't
matter, courage, your

word, it didn't come, it doesn't matter courage, my
word, it didn't come, it doesn't matter courage, it
couldn't come at a worse

time it couldn't come at a worse time it couldn't come
at a worse time courage
