i'm going down to see my highway girl she just back
from around the world i'm gonna get me a gun, i'm
gonna stand on guard in a little white booth in her front
yard throwing rocks at her window what could she do if
i throw enough rock one might break through well she
looked out her window when the police came to see a
big tin man dancing in the rain oh my little highway girl
oh my little highway girl she said, don't you think babe
you push a bit too fast i said, slowing down don't make
it last and a memory's never gonna set you free go out
an see that world and bring it home to me oh my little
highway girl oh my little highway girl oh my little
highway girl oh my little highway girl
