Instructions from the manual could no have been more plain

The blues are still required , The blues are still required again

Past territorial piss-posts past whispers in the closets

Past screaming from the roof tops

We live to survive our paradoxes

We'll live to survive our paradoxes

Men here of the secret they pass upholstered silence

They only exist in crisis the y only exist in silence

Past territorial piss-posts past whispers in the closets

Past screaming from the roof tops

We live to survive our paradoxes

We'll live to survive our paradoxes
