### "When All Is Gone"

When I was young, I had all the reasons  
To be scared when it was dark outside  
From time to time, there was hope  
When someone was dreaming on killing our foe  
Then the war was over, everything has fallen to the  
ground  
And I want you to know, that we still recover  
When all is gone, and we can't start over  
I don't believe we'll find the strength again  
We carry on, we can't go any lower  
This hate that we feel in time will fade away  
The time has come to fight for glory  
And try to find our long lost pride  
Secure the City, and clear the streets  
It's time for action, revenge is gonna come  
With all we got, we're marching to your kingdom  
You'll never see us in the night  
Say your prayer, you gonna die today  
Guitar Solos: Marcel Coenen  
Keyboard Solo: Bob Katsionis
