When I pull up, I be knockin, pull up I be knockin  
When I pull up, I be knockin, pull up I be knockin  
Knockin, Iâ'm knockin, Iâ'm knockin, Iâ'm knockin  
Knockin, Iâ'm knockin, Iâ'm knockin, Iâ'm knockin

Since they seeing, see me knockin, got this blocking  
Mad at me cause they chick like...  
But they don't want no problem  
They can't touch the boy cause the sexing too  
popping  
Then Iâ'm with a fucking on me, od he got that potion  
That's gonn keep me, keep me knocking  
Give me that medicine, and Iâ'ma treat them like a  
doctor  
Burning like a rhasta, with a bitch talking proper  
Lifting like a bag of money and she could have been a  
doctor  
Who is it? You hear me knockin,  
Smoking fire marshall bill, let me show you something  
You see me running, only for the money  
Fuck that... push them off, I live a stain life so I keep a  
lot of buzz  
...just friends, but we still fuck, like it's nothing

When I pull up, I be knockin, pull up I be knockin

Knockin, Iâ'm knockin, Iâ'm knockin, Iâ'm knockin  
Knockin, Iâ'm knockin, Iâ'm knockin, Iâ'm knockin

Iâ'm knockin, Iâ'm knockin, I got them bopping heads  
in the next lane  
Playing, actin up, Iâ'm poppin  
Hoppin out the vehicle, the first step's a doozie  
But Iâ'm a problem when Iâ'm in, so if you tail it you  
gonn loose me  
But if together in a cold shower, tryina make up will  
explain the last 4 hours  
Trippy, she like miss me, with it I done heard it all and  
you don't deserve it

But she know Iâ€™m worth it, I put it down like a tour  
muscle  
My sway up and Iâ€™m a born hustler  
Windows up and you still hear me, blasting gold on my  
asap rocky  
With the tec clearâ€¦they hating on, I know you see me  
If they donâ€™t like it then they women will  
No swelling, itâ€™s just been a drill, I turn heads and you  
minuscule  
No swelling, itâ€™s just been a drill, yeah
