"Handle With Care"

Been beat up and battered around
been sent up and I've been shot down
you're the best thing that I've ever found
handle me with care.
Reputations changeable
situations tolerable
Baby
you're adorable
handle me with care.
I'm so tired of being lonely
I still have some love to give
won't you show me that you really care ?
Everybody's got somebody to learn on
put your body next to mine and dream on.
I've been fobbed off and I've been fooled
I've been robbed and ridiculed
in day care centers and night schools
handle me with care.
Been stuck in airports
terrorized
sent to meetings hypnotized
overexposed
commercialized
handle me with care.
I'm so tired of being lonely
I still have some love to give
won't you show me that you really care ?
Everybody's got somebody to learn on

put your body next to mine and dream on.

I've been uptight and made a mess

but I'll clean it up myself I guess

oh

the sweet smell of success

handle me with care.
