(The Traveling Wilburys)

You always said that I'd be back again  
That I'd come running to you in the end  
I thought that you were on your own  
And now I find you're not alone

I'll see you through the rain  
Through the heartache and pain  
It hurts like never before  
You're not alone any more

You always said that I would know someday  
Just how it feels when your love walks away  
I let you down, I let you go  
I lost you, how was I to know

I'll see you through the rain  
Through the heartache and pain  
It hurts like never before  
You're not alone any more

I never knew I could feel this way  
I never could see past yesterday  
You feel that everything is gone  
I feel it too, you're not alone

I'll see you through the rain  
Every heartache and pain  
It hurts like never before  
You're not alone, you're not alone  
You're not alone any more, any more, any more
