I still hear the glass that shattered,
When she slammed the door.
I knew inside it was foolish pride,
And nothing more.
But I let her walk away,
When I knew the words to say...

(CHORUS)

Jenny come back, I musta' been crazy.
I don't know what made me,
Treat you like that.
Jenny come back,
The love that you gave me,
Is all that can save me.
Jenny come back.

Just a crazy fight where nobody was right,
And nobody was wrong.
But this time around nobody backed down,
And now she's gone.
And I'm wishin' it was just a bad dream,
Prayin' that the phone will ring.

(CHORUS)

Jenny come back,
I made a mistake, gonna do what it takes,
Jenny come back.
Gonna make it right I need you tonight
Jenny come back

Jenny come back, I musta been crazy.
I don't know what made me,
Treat you like that.
Jenny come back,
Don't leave me lonely.
I need you to hold me,
Jenny come back.

Jenny come back.
Jenny come back.
Oh, Jenny come back.
