High-heel shoes and a short, tight skirt
All eyes are glued on her
She's throwin' boxcar numbers

All night long, they're buyin' her drinks
Shakin' the dice, just tryin' to catch her eye
Her smile is magic but it don't last long

Oh Lady Luck
Casting fortune to the wind
Come stand beside me
While that wheel turns 'round again

Yea, Lady Luck
Let the chips fall where they may
Oh, Lady Luck, so glad you passed my way

If you never give up and never give in
She might just let you win
But don't try to keep her
From her next appointed round

'Cause if you try to hold on just a little too long
She may just do you wrong
Pray she stays long enough
To lay your money down

Oh Lady Luck
Casting fortune to the wind
Come stand beside me
While that wheel turns 'round again

Yea, Lady Luck
Let the chips fall where they may
Oh, Lady Luck, so glad you passed my way

Shine on me
I'm gonna let it ride
Roll up the numbers
Takin' one more chance, snake eyes

Oh Lady Luck

Casting fortune to the wind
Come stand beside me
While that wheel turns 'round again

Yea, Lady Luck
Let the chips fall where they may
Oh, Lady Luck, so glad you passed my way
