Every little move she makes
is gonna catch somebody's eye
You ought to see all the double-takes
when she goes walkin' by

But she's so distant
She seems so cold
Everybody says

(chorus)
That rock won't roll
They say the girl's
got a heart of stone
That rock won't roll
Oh but she's too pretty to be alone
I've got all this love inside me
And I've just got to see
if that rock won't roll

I'll give her everything I've got
I'm gonna change her point of view

I'll keep tryin' and I won't stop
until the love in her
eyes shines through

When I show her
this heart of gold
Then we'll see if

(chorus)

(instrumental)

I've got all this love inside me
And I've just got to see
if that rock won't roll

Oh she's so pretty
but that rock won't roll
Ooh and I've just got to see
if that rock won't roll

That rock won't roll
I just can't believe
that rock won't roll
