That lonesome Texas sun  
was setting slow  
And in the rear view mirror  
I watched it go

I can still see wind  
in her golden hair  
I close my eyes for a moment  
and I'm still there

(chorus)  
The bluest eyes in Texas  
are haunting me tonight  
Like the stars that  
fill the midnight sky  
her memory fills my mind  
(Where did I go wrong?)  
Did I wait too long  
or can I make it right?  
The bluest eyes in Texas

are haunting me tonight

Another town  
another hotel room  
Another dream that  
ended way too soon

Left me lonely  
praying for the dawn  
Searching for the strength  
to carry on

(chorus)

(instrumental)

For every heart you break  
you pay a price  
But I can't forget the tears  
in her blue eyes

(chorus)

The bluest eyes in Texas  
are haunting me tonight
