Top of the morning, sugarcoated days  
The sun at my back, the wind in my face  
Don't try to stop me  
The boy's on a roll

Parking my troubles and riding the wave  
Leavin' 'em waiting to some other day  
Don't try to stop me  
The boy's on a roll

Livin' and lovin' one day at a time  
Catchin' a dream and makin' it mine  
Freedom is something you feel with your soul  
Don't try to stop me  
The boy's on a roll

Picking up people who don't understand  
Livin' their lives caught up in the plan  
Don't try to stop me  
(Don't try to stop me)  
The boy's on a roll

Where am I going I don't really care  
My heart's gonna tell me when I'm finally there  
Don't try to stop me  
(Don't try to stop me)  
The boy's on a roll

Livin' and lovin' one day at a time  
Catchin' a dream and makin' it mine  
Freedom is something you feel with your soul  
Don't try, don't try to stop me  
The boy's on a roll

Livin' and lovin' one day at a time  
Catchin' a dream and makin' it mine  
Freedom is something you feel with your soul  
Don't try, don't try to stop me  
The boy's on a roll

Don't try to stop me  
(Don't try to stop me)

The boy's on a roll  
Don't try to stop me  
(Don't try to stop me)  
The boy's on a roll

Don't try to stop me  
(Don't try to stop me)  
The boy's on a roll
