This time you've gone to far
Shot an arrow through my heart
This time those baby blues
Made me fall in love

My heart didn't have a chance
I lost it all with just one dance
This time I know it's true
You made me fall in love with you
With you, baby, with you

I know I've seen you in this place
A dozen times before
I've watched you make those deadly moves
Out there on the floor

Tonight when you walked up to me
And railed me with that look
And said, "I sure would love to dance"
Well, that was all it took

This time you've gone to far
Shot an arrow through my heart
This time those baby blues
Made me fall in love

My heart didn't have a chance
I lost it all with just one dance
This time I know it's true
You made me fall in love with you
With you, baby, with you

I've always been the kind of man
Who likes to play it cool
I used to think that love
Was just a game for crazy fools

Thought I'd never see the day
I'd give up without a fight
But when I held you in my arms
You made it feel so right

This time you've gone to far
Shot an arrow through my heart
This time those baby blues
Made me fall in love

My heart didn't have a chance
I lost it all with just one dance
This time I know it's true
You made me fall in love with you
With you, baby, with you
