Till I loved you  
I didn't know the meaning of the word  
I was only taking, giving nothing in return  
My life was an empty page  
Less than an even trade

Till I loved you  
My heart was an island unto itself  
I thought I needed no one  
Till I looked into your eyes  
I knew it all right then  
I saw what a fool I'd been

Till I loved you  
I didn't know what I was missing  
Till I loved you  
Taught me that dreamers don't need wings to fly

Till I loved you  
I had never tasted tears of joy  
When I take you in my arms  
There's no doubt in my mind  
This is where I belong  
The loneliness is gone  
I was living my life all wrong

Till I loved you
