I never said I was
Anymore than I am
It's the point of no return
No return, no return, no return
NO, don't look back
No no no, don't hold back
You take what you can
and then you never let it go
They know you won't fucking stop
Until you run the show
You take what you can
And then you never let it go
They know you won't fucking stop
Until you're in control
Don't hold back
Never said I was (x4)
Never said I was you (x4)
Feeble minded people
Thinking they know it all
(?)
Feeble minded people
Thinking they'd get it right
No hopes and no solution
just a fucking fight
Never said I was
Anymore than I
I am.
