A tarnish rep's worse  
Than a punch to the gut  
My stomach's churning  
Here comes the throw-up  
Into your mouth  
Taste the fear

A friend, is a friend  
is a friend, is a friend  
Is a

One more line  
One more chaser  
One more line  
One more chaser  
One more line  
One more chaser

I'll cut you in half  
With my big red laser

Bullshit, you blather  
When everyone gathers  
To keep people guessing  
When you ought to be confessing

One more line  
Ruining your health  
A friend in need  
Or a friend in greed

A friend in greed  
Is a friend in need  
Of someone else  
Go fuck yourself

'Cause lost too many before to  
Ignore all the warning signs  
Inform you of your fate  
It's never too late to change

Still it seems strange

When the crowd changes  
Your whole life's rearranged

One more line  
One more chaser  
One more line  
One more chaser  
One more line  
One more chaser

I'll cut you in half  
With my big red laser

It's easier to do that  
Than face what you're facing  
You were cool in the past  
If I help will it last

I've done this before  
To no avail  
You'll fail, you'll fail  
You'll fail, you'll fail

One more line  
One more chaser  
One more line  
One more chaser  
One more line  
One more chaser

I'll cut you in half  
With my big red laser

Oooh, what happened to you  
You used to be cool
